Effective in R6V01:

Email Invoices from Invoice History

In the next PFW release, R6V01, you will have the ability to email invoices from any Invoice History screen.

To do this, select any Invoice History option in the system. In our examples, we have selected Invoice History in Sales Orders, Fig. 1.

Key a 7 next to the invoice you wish to email and press <Enter>, Fig. 2.

You will be presented with a screen containing the email address assigned to the customer on the selected invoice, Fig. 3. You can override this value to another e-mail address.

Press <Enter> and the invoice will be emailed to the customer as a PDF attachment.

You will return to the Invoice History display screen after pressing <Enter>.

To activate this feature, you need to be on V5R2 of OS/400 and additional IBM software must be purchased. Please contact your PFW Sales Representative, James Brown or Brian Lewis, at (519) 474-3300 for pricing on this additional software.
