New in R6V04: Warranty Dates Tab in Equipment Profile

A new Warranty Dates tab has been added to the Equipment Profile application to allow users to load additional warranty date information.

Equipment Profile has always contained Basic Extended Warranty information, but this new screen now allows for an unlimited number of warranties to be loaded.

In the following example, two warranty entries have been made to a unit for two different warranty date ranges.

Machine Profile - T11492 Added: 06/29/2006 Modified: 09/02/2006

Status: Invoiced JD Win
