

February 2010

New for Release 7.0

Check Fax Status From IntelliDealer

Trial Balance Report

In release 7.0, instead of having to go to a green screen menu option, you will be able to check the status of a fax from within IntelliDealer. Security switches in system 995 User Security control access to the new Check Fax Status option under Quick Links (Figure 1).

A window will be displayed, allowing you to see which faxes have been sent or are scheduled to be sent (Figure 2).

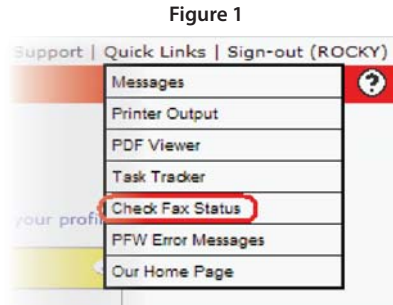

Figure 2

Click on a destination name (Figure 2) to launch the Fax Details window. This window allows you to manage your faxes (Figure 3).

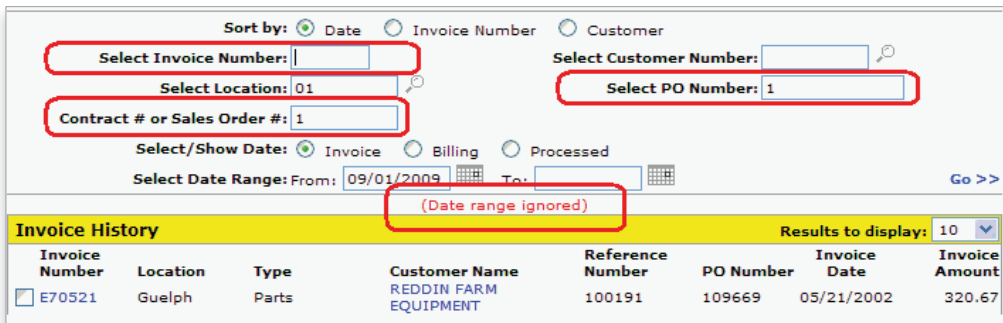

Figure 3

Easier Selection of Invoices In Invoice History

The Invoice History window (Figure 4) has been changed to ignore the date range when a value is keyed in the Select Invoice Number, Contract or Sales Order # or Select PO Number fields.

IMPORTANT ANNOUNCEMENT FOR ALL JOHN DEERE DEALERS

All John Deere dealers should have already received communications from John Deere on the replacement of the JDWIN Warranty Interface by the **John Deere WINXML Warranty Interface**. John Deere will be utilizing an SAP Warranty product for the handling of warranty processes and that is the main reason for this new interface.

The PFW R6V07 release (IntelliDealer only) is the only release where this new interface will be supported. All PFW clients should upgrade to R6V07 to ensure they are ready once this product has gone through the proper product testing process.

According to timelines coordinated with John Deere, the suggested beta dealer testing for the **John Deere WINXML Warranty Interface** will begin in March and the estimated general release will be in May 2010.

We have also heard that in the future, John Deere will be discontinuing the **JDWIN** interface.

Please call your PFW sales representative for pricing on this new interface or if you have any questions.

Request More Information

For more information on these software features or to order R6V07, contact PFW Client Services at 519.474.3700, or e-mail support@pfw.com.
